

MISSION STATEMENT

IMAPC

This club will bring together the common interests of Miniature Horse enthusiasts around the world, who share the pattern preferences recognized as appaloosa and pinto. This club will offer a place for its members to come together without prejudice, to discuss the interests and issues unique to the appaloosa and pinto Miniature Horses.

Our primary goal is to encourage the production of correct and balanced appaloosa or pinto Miniature Horses while maintaining the integrity of the breed according to published Miniature Horse standards.

Members of this group will foster growth and membership in the International Miniature Appaloosa and Pinto Club through promotion, recognition, advertisement and publicity of Miniature Horses visually characterized as Appaloosa and Pinto.
