## SHOW YOUR SPOTS

A Spotted Show

Incentive

Program

### THE PROGRAM:

A horse can **ONLY** be nominated by the Owner/Registered Lessee to the Spotted Show Incentive Program. This is done as follows by:

- Sending a completed **Nomination Form**, attaching a **copy of current approved registration papers, both sides**. **Fee must accompany Nomination Form**, and is based on the date the application **AND FEE** is received.

Once a horse is accepted for the program a letter of acceptance will be sent from the Chair.

- **Show points obtained BEFORE a horse was nominated and accepted, will NOT be used in any calculation toward the Incentive Program's point calculation.**
- Owners/Registered Lessees are responsible for obtaining their horse's Performance reports from the show's manager, and sending **the horse's best three (3) Performance Reports, by mail** to the Chair. It is the responsibility of the Owner to verify the receipt of said report by 10/31/2009.

The Chair will review Performance Reports. Each horse is allowed three (3) events total. They may be a combination of three registry shows or two registry shows and either a World Show or a National Show.

Chair will combine all points from each horse's Performance Report, combining all points

earned from all nominated horses, for a Total Points earned in the program.

- This number will be divided into 90% of the funds collected in the Incentive Fund. A dollar value will be given to each point earned. (***NOTE***: 10% of the gross funds will be used for on-going promotion of the Incentive Program)

The calculated dollar amount due each horse's registered owner or recorded Lessee will be sent, via the IMAPC Treasurer, with a Certificate of Accomplishment.
